PREPAID PRICE LIST

1948

Items priced per 10 you may order 5 or more bulbs at the 10 rate. No single item less than 20c please. Sold down to Bulblets on several last season, had a tough planting season here, which accounts for some offerings in small size only, and inability to list other sizes and kinds at 100 rate prices.

Sizes available per 100 are indicated thus *. Large and Medium sizes will be supplied in No. 1 and No. 3 sizes as far as possible, and smalls in No. 5 size stock until the last No. 5 size is gone. If No. 6 sizes interest you as over-count or extras, please advise.
